EvalForward is a joint initiative of the evaluation offices of FAO, IFAD and WFP

A Community of Practice to strengthen knowledge and capacities for evaluation, in support of SDG2
What is EvalForward?
EvalForward is a Community of Practice on Evaluation for Food Security, Agriculture and Rural Development. It brings together officers and professionals to exchange experiences and to strengthen capacities for evaluation at country level. EvalForward intends to contribute to the assessment of progress towards Sustainable Development Goal 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture.

Who is it for?
- Programme managers
- Policy makers
- Evaluators
- Development professionals
- Academics
- Anyone who wishes to expand their knowledge on evaluation

www.evalforward.org
Why get involved?

- Support the use of evaluation in policies and programmes
- Access opportunities and expand your professional network
- Find solutions and engage with new ideas
- Promote good evaluation

What are the benefits?

- Programs and policies take advantage of the lessons learnt from evaluations
- Evaluation methods and processes improve based on shared experiences
- Opportunities increase thanks to facilitated access to publications, events, and expanded professional networks

www.evalforward.org
Find, share, contribute to...

- Peer to peer knowledge exchange
- Information Sharing
- Virtual and face to face events
- Networking
