

# Eval Forward

Evaluation for Food Security, Agriculture & Rural Development

## A Community of Practice to strengthen knowledge and capacities for evaluation, in support of SDG2

Eval-Forward is a joint initiative of the evaluation offices of FAO, IFAD and WFP

Food and Agriculture  
Organization of the  
United Nations

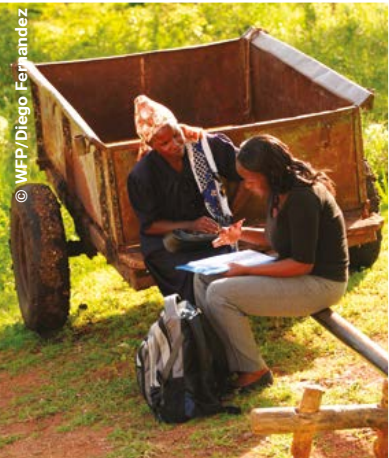

**IFAD**

Investing in rural people

World Food  
Programme

## What is Eval-ForWARD?

Eval-ForWARD is a **Community of Practice on Evaluation for Food Security, Agriculture and Rural Development**. It brings together officers and professionals to exchange experiences and to strengthen capacities for evaluation at country level. EVAL-ForWARD intends to contribute to the assessment of progress towards *Sustainable Development Goal 2: End hunger, achieve food security and improved nutrition and promote sustainable agriculture*.

## Who is it for?

Anyone who wishes to expand their knowledge of good evaluation practices in agriculture, food security, nutrition, rural development and related sectors. It welcomes **programme managers, policy makers, independent evaluators, development professionals, academics** and others.

## Why get involved?

The aim of EVAL-Forward is to **support the capacity** for evaluation at country level, provide **networking** opportunities, and **advocate** for the use of evaluation of food security, agriculture and rural development initiatives.

## What are the benefits?

- Programs and policies take advantage of the lessons learnt from evaluations;
- Evaluation methods and processes improve based on shared experiences;
- Opportunities increase thanks to facilitated access to publications, events, and expanded professional networks.

## Find, share, contribute to...

- Evaluation guides and virtual workshops
- Relevant knowledge and publications
- News and upcoming activities and initiatives
- Space to connect with, offer and request the help of professionals
- Webinars
- Face-to-face, thematic events
